Type: A=Annual, P=Perennial, B=Biennial, TP=Tender Perennial

Bloom Time: Sp=Spring, S=Summer, F=Fall

This mix is easy to establish and grows well in most areas in our region, but is mostly made up of annual species so it will need to be refreshed every season. Consider planting with our Western Wildflower Mix to supplement color.

Planting Rate/Acre: 6-12 lbs
Planting Rate/Acre Grass/Wildflower 1-5lbs

Not the Biggest Simply the Best !!!
