BUFFALO BRAND STOCK MIXES

- These mixes are typically kept in stock, but inventory can change rapidly during certain times of the year, so we highly recommend calling ahead to confirm
- Mixture formulations are subject to change based on seed markets and supply

BUFFALO BRAND LOW GROW MIX

2026 RECLAMATION MIX

- Suitable for use in reclamation and revegetation projects
- A combination of low-maintenance, cool-season grasses
- Establishes well in cooler areas up to 8000 ft. elevation
- The lower growth habit of the grasses lends itself to infrequent or no mowing
- Well-suited for erosion control and transition areas
