BUFFALO BRAND STOCK MIXES

- These mixes are typically kept in stock, but inventory can change rapidly during certain times of the year, so we highly recommend calling ahead to confirm
- Mixture formulations are subject to change based on seed markets and supply

BUFFALO BRAND LOW MAINTENANCE

2026 TURF MIX

- A quick-establishing, dense, low-growing turf mix
- Requires less frequent mowing
- Tolerates poor soil conditions and low fertility
- Very fine textured and soft
- Excellent shade and drought tolerance
- Not recommended for high traffic areas or athletic fields.

MIXTURE FORMULATION
